Aspire, Believe and Achieve Together

Newsletter 19 Friday 3rd February 2023

Dear Parents and Carers

Following on from last week's marketing material from our new caterers, Innovate, please find further information in this week's Newsletter. You will find an example menu showing the range of dishes that will be available to our students and after Easter we can also look forward to special Theme Days which include: "World Book Day", "Street Vibes - Africa" and "Easter Specials". We look forward to welcoming this new and exciting development to our school.

This week in school we: launched the start of LGBT+ Pride month; celebrated National story telling week; continued our Year 9 Options process; supported some Year 11's with external BTEC exams; competed throughout the City in more sports fixtures; and Year 7 enjoyed an activity organised by Mrs Douglas focusing on what it means to be a King's student and how we can positively contribute to our school community; plus much more!

Next week we have careers focus in-line with National Apprenticeship Week which will see a range of activities taking place throughout the year groups across the week. We will also be covering Internet Safer awareness and there are exciting music, geography and history trips taking place! As we move into February, it is also great to welcome lighter mornings and evenings, and hopefully some milder weather.

LGBT+ Month

Each year there is a different theme for LGBT+ History month. The theme highlights and celebrates a different aspect of LGBT +History.

This year's theme is "Behind the Lens".

This theme aims to celebrate LGBT+ contributions to cinema from 'behind the lens'. This includes a celebration of LGBTQ+ directors, producers, cinematographers, screenwriters, costume designers, composers, choreographers, make-up and special effects artists, set designers, lighting and sound specialists and more!

Congratulations to our Year Stars of the Week

Year 7 *Abeera*
Year 8 *Amelie*
Year 9 *Lorren*
Year 10 *Jasmeen*
Year 11 *Savina*
Year 12 *Harry*
Year 13 *Asher*

Why Is It Important to Celebrate LGBTQ+ History?

LGBTQ+ people have existed throughout all time.

However, some of the many accomplishments and achievements of LGBTQ+ people are not well-known today due to them being ignored or left out.

By highlighting the existence of LGBTQ+ people in history and their accomplishments, we can celebrate the impact of their work and focus on the changes that still need to take place in the bid for equality.

What Is the Aim of LGBT+ History Month?

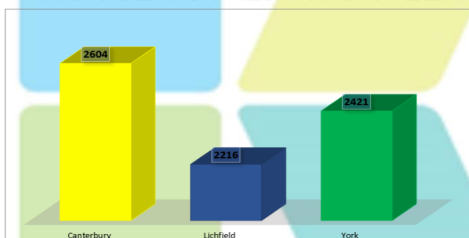

The overall aim of LGBT+ History Month is to promote equality and diversity for the benefit of the public.

This is done by:

- increasing the visibility of LGBTQ+ people, their history, lives and their experiences in the curriculum and culture of educational and other institutions, and in the wider community;
- raising awareness and advancing education on matters affecting the LGBTQ+ community;
- working to make educational and other institutions safe spaces for all LGBTQ+ communities;
- promoting the welfare of LGBTQ+ people by ensuring that the education system recognises and enables them to achieve their full potential, so that they contribute to society and lead fulfilled lives, thus benefiting society as a whole.

Take Responsibility, Be respectful, Show Empathy, Choose Forgiveness

Creative Zone News.....

Football-

The last Year 7/8 Girls Football competition took place this week. Our pupils have progressed well as a team over the past 5 weeks gaining confidence as the weeks have gone on. The pupils started off in week 1 being timid and not getting the ball past the halfway line. Progressing to week 2 winning half of their matches, to the final weeks working as a team and using determination to combat academy teams. It has been great to witness how the two year groups have worked together using our ethos of a harmonious community. Well done all!

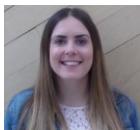

Athletics:

The first Athletics competition for our year 7's took place on Thursday at Aldersley, a fantastic environment with 18 schools in attendance. The pupils at first were overwhelmed with the amount of competition but soon got stuck into their competitive nature resulting in some 3rd places in the races. The pupils grew in confidence and wanted to take part in all of the field events, finishing the top 5 in all! Well done to all involved!

Miss Key

Congratulations to our Year 13 Students!

Well done to **Alex** who has received University offers from University of South Wales, University of Northampton and Birmingham City University to study Mechanical Engineering.

Well done to **Husna** who has received University offers from Aston University, University of Law and University of Leicester to study Law.

Well done to **Mary** who has received an interview at Newman University to study Physiotherapy and offered a place at Coventry University to read Sports Exercise Therapy.

Well done to **Nicolas** who has been offered places at Keele, Edgehill, Chichester, Plymouth and Northampton Universities to read Psychology.

Well done to **Navneet** who has been offered places at University of Law, University of Wolverhampton, and Birmingham City University to read Law.

Good Luck to you all, we are all very proud of your achievements!

Next week is a very exciting time across the country as it is national careers and apprenticeship week!

Here at King's we will be hosting some fantastic events to prepare our students for the world beyond school. Our aim is to ensure every child is prepared to make the very best decisions for their life, learning and work so we hope they find the events useful and engaging.

Please see a summary of the events below.

Year group	Date	Time	Event	Where?
7	6 th February	9.20 am – 11 am	Guess my job – a range of jobs are given to students, range of people brought in, they guess who does which job	Hall
8	6 th February	11.20 am – 12.20 am	Meet the Real Apprentice – an apprentice provider comes in with an apprentice who speaks about their role and students are given an opportunity to ask questions	Hall
10	8 th February	All day	Just My Job – all year 10 students are interviewed for a job by an employer, they are given feedback at the end of the interview	Hall
All years	Week beginning 6 th February	During year lessons	Every faculty produces and delivers a careers themed lesson during this week. L	Throughout school

Aspire, Believe and Achieve Together

Newsletter 19 Friday 3rd February 2023

From the Chaplain....

One of the quotes I would most like to see on classroom walls is attributed to Giacomo Casanova, "The one who makes no mistakes makes nothing." And most of us would agree, wouldn't we, that we have learnt far more from making mistakes than we have from the times when everything went according to plan. Indeed, one of our most cherished values at The King's CE School is forgiveness because, difficult as it is, we recognise that we have all made mistakes and we have all been in need of forgiveness at times. Indeed it is through forgiveness and a repairing of relationships that we have hope for the future. If we were to all carry round with us a burden of guilt for every wrong choice we had ever made, what a terrible experience of life that would be!

Chapter 3 of the book of Jonah begins as an almost exact copy of Chapter 1, but this time when the Lord speaks to Jonah and sends him to the great city of Nineveh Jonah obeys and sets off in the right direction. I wonder what has changed? Certainly not the city of Nineveh; the people there are still evil, violent and the enemies of Israel. Neither has God's word changed, he is still asking Jonah to go and warn the people of Nineveh that God will destroy their city as a result of their evil deeds. But through his experience in the storm and in the belly of the whale, something has changed Jonah himself. He has had an experience of God's grace, he has been saved from a certain death in the stormy seas and he is now ready to obey God's commands. And because he is given a second chance, hundreds of thousands of lives will be saved. A whole city will stop killing and turn to God in humility and repentance. The people of Nineveh will also get a second chance for life and prosperity.

'Forgive us our sins as we forgive those who sin against us,' Jesus taught his disciples to pray. Are we to forgive because we have been forgiven or in order that we might be forgiven? Both may well be true. What is certain is that we have a God who forgives us in ways we neither deserve nor could ever merit. As his children, made in his image, he calls us to do the same.

The King's CE School Prayer

Almighty God, revealed to Christians as

Father Son and Holy Spirit:

We praise you for the gift of this new day.

We pause to remember

those less fortunate than ourselves
and those in need of prayer.....

We ask you to bless and guide us now

that we may learn to love and love to learn

Throughout this day.

Amen

The Theme for Worship w.c 6th February

Mission Impossible?

Jonah 3

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
