### Head Boy & Girl Appointments.

Eleven Year 13's applied for the prestigious role of Head Boy and Girl with interviews taking place last Friday.

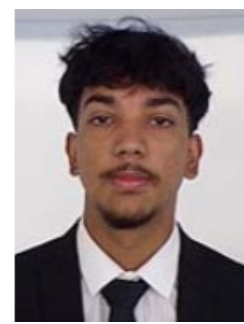

After a very rigorous process and after much deliberation it was decided that Abigail and Pavan would be suitable to lead the student's leadership team.

During their interview they displayed some excellent skills to push the leadership team forward and to make a positive, long-standing difference to King's.

Congratulations and Well Done!

Mr Wust

Head of 6th Form.

### Harvest Festival

This week we celebrate Harvest Festival, thanking God for all his abundant generosity to us and bringing the gifts we have collected for local foodbanks.

We were very pleased to welcome Caroline Price from The Well foodbank to join us in Canterbury House Worship on Tuesday to receive our gifts of food.

On Wednesday we welcomed Brother Charles from the Good Shepherd for Lichfield House Worship to receive our gifts.

This year marks the 50th anniversary since the Little Brothers of the Good Shepherd first arrived in Wolverhampton. It was Christmas 1972 when the Brothers first opened their doors and provided food and support to people who were destitute, hungry, and living on the fringes of society, showing them love, compassion and hospitality.

Throughout the last half century, these have remained core values of the Brother's work and mission.

To celebrate this milestone, they have two events which they would like to invite you to:

#### Thanksgiving Mass

Tuesday 22nd November, 7pm, St Michael's Church Wolverhampton

Refreshments will be provided after the Mass

#### Service of Celebration

Thursday 15th December, 2pm, St Peter's Church Wolverhampton

Refreshments will be provided after the service.

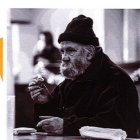

#### CERTIFICATE OF APPRECIATION

#### HARVEST 2022

Thank you so much for donating to this year's harvest for the Good Shepherd.

Your support is much appreciated, with the large quantities of families and individuals we support, this is greatly appreciated.

On Thursday Richard from the Harvest Community Foodbank collected our harvest gifts to redistribute where there is need. Thank you to York House for your generous donations.

### Photography Trip

Recently our Year 11 Photography students visited Wolverhampton Art Gallery to see a variety of artworks including a Black History Month display and a Pop Art exhibition.

They also explored local buildings in the area to take photographs for their architecture project.

We wish you all a peaceful and relaxing half term!

**School will re-open to students on Monday 31st**

**October 2022 at 8.45am**

Don't forget the clocks go back one hour on Sunday 30th October 2022 at 2.00am!

## Christianity Conference

On Wednesday morning, Year 9 students had the opportunity to take part in a Christianity Conference. This was to support their learning in RE this term.

Students have been exploring where Christians look for guidance in their life. They had the opportunity to hear from four representatives of different Wolverhampton Churches.

Students heard about the diversity within Christianity; learning about what worship looks like, how the Bible is used and how rituals are carried out. Students enjoyed asking their own questions too. We are very grateful to our speakers for supporting the morning.

Mrs Manser

Ethos Co-ordinator.

## Year 7 Meet the Tutor Evening Tuesday 1st November 2022.

We would like to invite you to attend our Year 7 Meet the Tutor Evening on Tuesday 1st November 2022 from 4pm – 5:30pm; we will not be setting appointment times but will be available for you to drop in during the above times.

This is a very important date in the school calendar as it is an opportunity to meet with your child's form tutor. This will provide an opportunity to discuss with your child's form tutor how well they are settling in this year, and for you to share with us any highlights or concerns.

This will not be a formal meeting where each subject is discussed as this will follow later in the year. We will use this opportunity to share information with you including your child's most recent Interim Report, their Class Charts pie chart for this year, yours and your son / daughters unique login to Class Charts and their data collection sheet for you to check, correct and return to school.

I would strongly encourage you if you have not already, to download the Class Charts app on your phone or tablet as this will enable you to monitor your child's behaviour, attendance and homework on a daily basis. Mrs Kaur will be available throughout the evening if you would like support with this. Refreshments will also be available throughout the evening. Please do not hesitate to contact me should you wish to discuss further.

Yours sincerely

Mrs Douglas

Head of Year 7 & 8

DIG DEEP, LOOK CLOSER, THINK BIGGER

# The King's CE School

*Aspire, Believe and Achieve Together*

Newsletter 7 Friday 21st October 2022

## From the Chaplain....

'At the King's CE School we believe that everyone is unique and created in God's image...' and this week we have been celebrating our Harvest Festival, thanking God for his generosity to us and remembering that we too were 'created for generosity'. It has been a real pleasure to see the abundance of gifts brought in by our pupils and staff to support local food-banks this week and to hear from foodbank volunteers about the difference our gifts will make to individuals and to families in our city. It has also been good to hear from colleagues as they reflected this week on how generosity of spirit is so much more than just material giving, but reflects a deeper attitude of gratitude and of compassion for others.

All this got me thinking that the way in which we give can vary greatly across different cultures. In this country we tend to be fairly quiet and private about our acts of charity. Many colleagues and pupils quietly passed on their harvest donations this week without wanting to make their donation in public. This reminds me of verses from Matthew's gospel:

*"Watch out! Don't do your good deeds publicly, to be admired by others, for you will lose the reward from your Father in heaven. When you give to someone in need, don't do as the hypocrites do—blowing trumpets in the synagogues and streets to call attention to their acts of charity! I tell you the truth, they have received all the reward they will ever get. But when you give to someone in need, don't let your left hand know what your right hand is doing. Give your gifts in private, and your Father, who sees everything, will reward you." (Matt 6:1-4)*

Through my links with Ghanaian churches I have seen another way of giving. Whilst the gift itself is just as private, there is a joy at being able to make the gift which is celebrated and enjoyed through music and dance. This joy at being in a position to make a gift for God's work is also scriptural:

*Each one must give as he has decided in his heart, not reluctantly or under compulsion, for God loves a cheerful giver. (2 Cor 9:7)*

With so many in our world and in our own communities in need at the moment we are reminded of just how fortunate we are with the people we care about and the resources we sometimes take for granted in our lives. And whatever we feel able to give, and however we choose to do it, let's just be glad that we can!

### School of Sanctuary

Through The King's CE School Vision Statement:

*"At The King's CE School we believe that everyone is unique and created in God's image. We encourage all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits, within a unified, respectful and harmonious community."*

*We are proud to be an official School of Sanctuary*

- Our school vision guides our practice of creating a culture of welcome and inclusion for all.
- We have a multi-cultural school community.
- More than forty languages, including dialects are spoken in school.
- We enjoy and celebrate all cultures.
- We seize every opportunity to share our educational heritage.
- We endeavour to continue our efforts and maintain our School of Sanctuary status.

#### What is a School of Sanctuary?

A school that is committed to being safe and a welcoming place for all. We help students, staff and our wider community understand what it means to be seeking sanctuary and to extend a welcome to everyone as equal valued members of the school community.

## The Theme for Worship w.c 31st October

**Created to be unique**

1 Peter 4: 7-11

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
