## OFSTED

We are delighted to announce that we have been judged as a "GOOD" school in our Ofsted inspection published this week. We are very proud of our pupils and our staff who 'go the extra mile'.

Ofsted have judged our provision to be GOOD in ALL six inspection areas (NOV 22). Our staff 'provide an exceptional quality of pastoral care' and pupils 'recognise how well staff care for them and feel safe at school'.

Please find us in this week's [Ultimate Education](#) Supplement in the Express & Star page 38!

We are proud to share more details of our 'GOOD' Ofsted report in the article as well as launching the dates for our additional open events this January and February.

Please share the details of our additional open events with friends and family, especially those with children in Year 5 and 6.

## PE News

The year 7/8 girls took part in a Futsal competition at Aldersley, there was a fantastic attitude shown by all with a fierce battle to make it through to the last 3. Teamwork was at the heart of their performances as they improved from match to match. The first game against SWBA provided the pupils with a confidence boost winning the match 1-0. Leading the pupils to the end game against Coppice, where the pupils had to defend well in order to stop the opposition from getting closer to the goal. A great performance left the last match with a 3-0 loss. Fantastic Futsal shown and great teamwork. Well done all!

*Futsal is a football-based game played on a hard court smaller than a football pitch, and mainly indoors. It has similarities to five-a-side football and indoor football, Futsal is played between two teams of five players each, one of whom is the goalkeeper.*

The year 10 girls took part in the Sports Hall Athletics held at Aldersley, after a nervous start they soon became at home after coming second in the relay; showing great communication with their team mates to success. Moving onto the field events, the pupils organised themselves to ensure they had the best opportunity for success. Overall, a fantastic night and brilliant talent shown. Well done all!

## English Week

This week we have celebrated all things English at The King's.

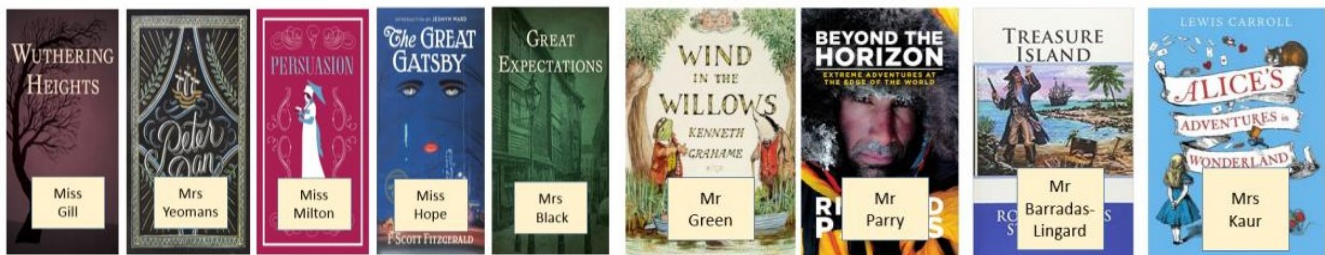

On Monday, we read 'All Summer in a Day' by Ray Bradbury which took us to the planet Venus, where the sun shines for only two hours once every seven years.

On Tuesday, we held our 'Book and Bake' sale which was a fantastic success. Students were eager to choose their 'blind date with a book' and a cake to enjoy while they read it. All the money raised during this sale has been donated to The Haven in Wolverhampton.

During form time, the students had the opportunity to listen to the audiobook of 'The Magic Shop' by H G Wells for something a little bit different to their usual DEAR reading. Students were also invited to guess the favourite books of the English and SLT staff. Here are the answers in case you missed them:

Mr Green has also been running a competition based on his display of vintage books. He has invited Yr 7 pupils to email him about this book:

The first pupil to email him with the date the book was published and its exact age in years gets a prize on Monday.

Make sure to visit the full display of books too:

Thank you to everyone who has supported English Week.

Assistant Head of English

## From the Chaplain....

"Perhaps one day you will become a preacher," they said to me.

'There is no way that is ever going to happen,' I thought. 'I am too shy. My voice is too quiet. And anyway, I have nothing to say.'

It would be twenty years before I thought again and started to explore the vocation of Methodist Local Preacher. And another five years before I was finally accredited. Amazingly, and much to my surprise, I really enjoy it!

"No!" we can almost hear Jonah shouting as he covers his ears and runs in the opposite direction. Our Bible reading this week is the first in a six-week series looking at the book of Jonah and all that it has to teach us, and I think we can all empathise with Jonah not wanting to go to the great, heathen city of Nineveh and tell them to change their ways or they will incur God's wrath. They weren't even Jews, so why would they listen to him anyway? And they were renowned for their particularly evil and violent behaviour. We have all had to face tasks we didn't want to do at times, but few of us have been asked to risk our lives in order to complete them.

Jonah goes to some lengths to avoid God's call, even boarding a ship bound for the other end of the known world at the time (Spain!). But he hasn't counted on God's power and he hasn't counted on God being inescapable. As the psalmist wrote: *Where can I flee from your presence? If I go up to the heavens, you are there; if I make my bed in the depths, you are there. even there your hand will guide me, your right hand will hold me fast.* (Psalm 139)

As we follow Jonah's story over the next few weeks we will encounter a God who doesn't abandon us when we turn our backs on him, a God who is there to protect us even though we may go through tough times and a God who ultimately loves us and wants to love other people through us. We might not always hear his call, we might not always listen and pay attention to his call, but he is patient and he won't stop calling until we do!

### God's power in the storm

Jonah 1: 1-17

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
