Creative Zone News.....

On Monday evening the year 10 boys played their first football game of the year.

With a brilliant and competitive spirit against a top team– they went in really positively and got the first goal, unfortunately the game didn't go our way but the boys really did themselves proud with the perseverance and teamwork they displayed.

They have another match next Tuesday—so as long as they learn from the match this week, we should be in an excellent position to take the result next week! Well done boys!

Player of the match goes to Lordson!

INSET Day

A reminder that school will be closed to all students on Friday 21st October 2022 for an INSET Day.

School will re-open to students on Monday 31st October 2022.

Harvest: a time to give thanks and to be generous

How can YOU make a difference?

What can YOU bring?

Next week we will be dedicating our gifts to representatives from the food banks during House Worship.

Please donate what you can to help us make a difference.

Thank you to everyone who has donated so far.

Ask your teachers for more information

Scores so far for inter-house....
A big well done to everyone involved!!

Year 11 & 13 Parents

Year 11 & 13 Parent's Evening will take place on Wednesday 19th October 2022, 4.30pm-7.30pm.

If you are unable to attend, or have any queries please email:

Mr Gain l.gain@kingswolverhampton.o.uk

Mr Wust c.wust@kingswolverhampton.co.uk

Lockers

With the weather starting to turn colder, we recommend all pupils rent a locker to store their winter coats, books, PE kits etc.

All pupils are encouraged to rent a secure locker for this academic year.

They can be purchased via the following website: www.locker.rentals

DIG DEEP, LOOK CLOSER, THINK BIGGER

The King's CE School

Aspire, Believe and Achieve Together

Newsletter 6 Friday 14th October 2022

From the Chaplain....

'To flourish: to grow or develop in a healthy or vigorous way, especially as the result of a particularly congenial environment' says the dictionary.

We have been enjoying House Worship led by our Year 11 students this week on the theme 'Created to Flourish'. We believe that each one of us was created to grow, develop and bear fruit and we have been considering the sort of conditions we need in order to do that; in order to be the best possible version of ourselves. Year 11 used the example of successful sports teams and asked us to think about what it means to be a part of a team, encouraging and supporting one another with a common goal. In the most successful teams each member takes responsibility for playing their different roles to the best of their ability as they grow together into a harmonious unit who communicate effectively and enable one another to thrive. We have been considering how we might do that as a school community and also as members of our wider society.

In our Bible reading this week, Jesus says 'I am the true grapevine, and my Father is the gardener... Remain in me, and I will remain in you. For a branch cannot produce fruit if it is severed from the vine, and you cannot be fruitful unless you remain in me... Remain in my love.' He goes on to instruct them to 'love one another'.

So in order for us to flourish and bear fruit in our lives we need to remain connected to the love which God offers us; to receive His love into our lives and to allow it to flow through us to other people. Easier said than done, I know. On a daily basis there is much that gets in the way of our loving and trusting one another. Often it is fear, in the form of stress or anxiety: fear that we are losing control, fear that we will be judged, fear that we will miss out in some way or that we will be hurt. Sometimes this is for good reason, because we have been judged or hurt in the past. It is difficult to stay loving in these conditions, difficult to trust and ultimately difficult to flourish. But we are connected to one another, and in order to look after others we also need to look after ourselves.

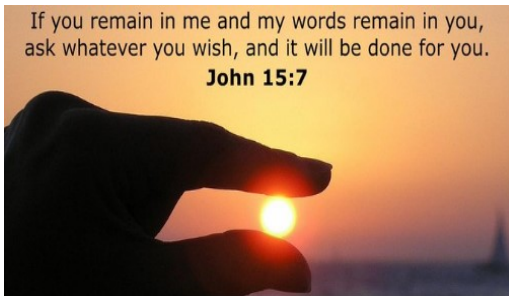

Monday was World Mental Health Day and so it seems a good time to remind ourselves to make time and space in our lives for reconnecting; reconnecting with God, reconnecting with the natural world around us and reconnecting with the people who make us laugh and feel good about ourselves. Perhaps by allowing ourselves the time and the space to just 'be' and to notice some of the small joys and blessings in life, we can top up our stores of patience, hope and trust in a way which will impact on the people around us. And so the blessings will spread.

Our theme this week has been "Created to Flourish". What conditions help us to become

The Theme for Worship w.c 17th October

Created for..

Generosity

At The King's CE School we believe that everyone is unique and created in God's image. We enable all to achieve their God-given potential; to grow, learn and aspire; to transform their lives and the lives of others and to journey in faith without limits within a unified, respectful and harmonious community.
