IMPORTANT FACTS ABOUT FINANCE

- Around two thirds of the 2.2 million jobs in finance and professional services are outside London with Birmingham among the hotspots.
- Around 1 million people have qualifications administered by the UK's legal, accounting and related professional bodies.
- Nearly 70,000 cash machines are available in the UK.
- The UK has the most cash machines in the European Union with more per person than in France, Italy or Germany.
- Around 9,000 bank branches are available in the UK.
- The UK has the second largest pension industry worldwide.
- Over half of all UK families and households have savings and pensions that are managed by the UK fund management industry.
- Nine out of ten households in the UK are estimated to have at least one insurance product.
- Most businesses would not be able to operate without the financial services industry.
